

# CD Label - No Stacking Ring

UMG\_CD\_LABEL\_JUL00.QXT

## Special Considerations

- This template works at all CD manufacturing sites, except where stacking ring is used.
- See page CD-2 for CD Label - With Stacking Ring.
- Works with or without solid background.
- For 23mm center print, contact your manufacturing plant.
- Read "CD Label Printing: Getting the Best Results" for other critical information.
